EZIO and Mellon HUB... to reduce Costs

OPEX – CAPEX Benefits

- Combination with existing IT infrastructure (Auth Server)
- Reduced IT Operational Expenses (i.e. SMS)
- No Capital Expenses (i.e. HW infra)
- Mellon trained Engineers and PM to implement and support Ezio
- Continuous monitoring of cyber threats evolution and faster updates on new threats

.... *Thus Bank's IT Resources focus on building use cases rather than following sec trends*
